SAFE NEEDLE DISPOSAL

BE RESPONSIBLE.

1

- **Find a sturdy plastic container with a lid (e.g. pop or laundry bottle)**
- **Set container on stable surface**

2

- **Use gloves or tongs, if available**
- **Do do not recap the needle**
- **Pick up needle by centre barrel and point tip away from you.**

3

- **Point the sharp end of needle down into the container and secure the lid**

4

- **Needles in a secured container can be taken to any PMH facility or office or Community Sharps disposal box**

5

- **Wash hands thoroughly with soap and water**

KEEP YOUR COMMUNITY SAFE.
